Thanks. Rebecca Russo will notify congs now and we will issue release, concurrent with CFAC release, at 3 pm MST.

I understand getting a PDF version can take some time, but please share electronic copy when convenient as I expect folks will be asking over next day or two ...

I just spoke with Cynthia – the AOC has been fully executed. I am working on getting a docket number.

Hi, Everyone:

I was wondering if you have any updates on the status of the Anaconda Aluminum Columbia Falls (CFAC) AOC. The communication strategy, press release, and hot topic were all from the week before last (Nov. 20). I received a call from Jenny Chambers today inquiring about the status. She said that Tom Stoops had provided some comments on our draft press release, but that she had not yet seen a revised version. Do you know what the current status is for our signature of the AOC and the release of information? Jenny mentioned that the governor's office is asking, too.

Thank you!

Joe
